	● Durable Medical Equipment Prosthetic Appliances Orthotic Devices Medical Supplies	20% Coinsurance <sup>1</sup>	45% Coinsurance <sup>1</sup>
<b>Lifetime Maximum Benefit</b>	● The Lifetime Maximum Benefit available under this plan is Unlimited.		

1. **Calendar Year** Deductible applies. After Deductible, service is subject to Coinsurance and/or Copay.

2. Not applicable to this Schedule of Benefits.

3. Out of Network services are subject to usual, customary, and reasonable limits.

4. Behavioral health services are administered by OptumHealth Behavioral Solutions – 877-369-2201.

This plan includes an Embedded Deductible. After the individual deductible has been met by one family member, benefits are payable for that individual. For family coverage, benefits are payable after any one family member meets the individual deductible, or any combination of family members meets the family deductible. Deductible limits for in-network and out-of-network services calculate separately.

**Prior Authorization** - Services may require prior authorization from the Plan. Practitioners or Providers must obtain prior authorization prior to the services being rendered. Failure to obtain prior authorization results in a denial of benefits. It is ultimately your responsibility to ensure that prior authorization from the Plan has been obtained by your Practitioner or Provider. Please refer to your Policy.

**Dependent and Young Adult Coverage** – To be eligible for coverage as a Dependent of a Subscriber, an individual must be the lawful spouse of a Subscriber, a Dependent child of a Subscriber, or a young adult child under the age of twenty-six (26). Eligibility for coverage for a Dependent child of a Subscriber or a young adult child of a Subscriber under the age of twenty-six (26) is not based on financial dependency, residency, student status, marital status, or employment. A “child” means a newborn child, a stepchild, a child legally placed for adoption, a legally adopted child, a child for whom legal guardianship has been awarded, or a child for whom the Subscriber has a legal obligation under a divorce decree or other court order, including a qualified medical child support order, to provide health care coverage for a child.

**Policy Year** - Plan benefits are based on each successive 12-month period starting on the Effective Date of the Policy.

**Prescription Drug Overrides** - Baptist Health Plan (BHP) provides prescription drug overrides as required by applicable state law. Prescription drug overrides do not apply to any controlled medication.

**Preferred Drug List** - A copy of the Preferred Drug List is available online at [www.BaptistHealthPlan.com](http://www.BaptistHealthPlan.com), or by contacting Customer Service at 859-269-4475 or toll free at 800-787-2680.

**Retail Clinics** are health care clinics located in retail stores, supermarkets and pharmacies that treat uncomplicated minor illnesses and provide preventive health care services. They are sometimes referred to as “convenient care clinics” or “retail-based clinics.” These clinics are usually staffed by nurse practitioners (NPs) or physician assistants (PAs), but some are staffed by physicians. Retail clinics are covered at the primary care physician (PCP) benefit level.

**Usual, Customary and Reasonable (UCR) Amount** - UCR Amount is the amount that the Plan determines to be the Eligible Expense for a service. The Eligible Expense is determined by the healthcare service or procedure being performed and the usual amount paid for this procedure. If you go to a Participating Practitioner or Provider, you will be responsible for any Copayment, Coinsurance and/or Deductible amount. You will not be responsible for any amount billed over the UCR amount. In other words, you will not be balance-billed by your Participating Practitioner or Provider.

However, if you go to a Non-participating Practitioner or Provider, you will be responsible for your Copayment, Coinsurance and/or Deductible amount, PLUS any amount that the Non-participating Practitioner or Provider bills that is above the Plan’s UCR amount. This means that you can be balance-billed by your Non-participating Practitioner or Provider. If you use a Non-participating Practitioner or Provider, you may have your Practitioner or Provider submit a pre-determination of benefits request to the Plan’s Customer Service Department. This will provide you with an estimate of the Plan’s payment prior to receiving services.

***This Schedule of Benefits is intended to be a brief outline of coverage. The entire provisions of benefits and exclusions are contained in the Policy and Schedule of Benefits. In the event of a conflict between the Policy and this description, the terms of the Policy will prevail.***
